

# A NOTE FROM THE ARTISTIC DIRECTOR

Hello, Wolf Pack!

When we started Wolfbane in 2008, I could never have imagined the love this community would show a country boy with a passion for immersive theatre.

Over the last 16 years, you have helped us grow into a year-round, award winning performing arts and community enrichment organization focused on bringing professional theatre, arts education, and outreach programs to Central Virginia.

Your patronage allows us to keep the arts accessible to all people and we can't thank you enough for your support.

-Dustin Williams  
Artistic Director and Founder
